

Forum MAZINNOV 2

Adopt a startup / Imagine the Greece of tomorrow

Call for applications

The second edition of the French-Greek innovation forum MAZINNOV will take place in Athens on November 10th and 11th of 2017. The two key features of this forum will be:

1- **ADOPT A STARTUP:**

French and Greek companies will adopt startups even at their early stage, offering them their support (providing advices, networking, and development assistance).

You are a startup and you want to be adopted? Send your application in a video format presenting your project (one minute) with the following form.

The adopting companies and the adopted startups will be presented¹ to the audience at the forum, on Friday, November 10th of 2017.

2- **IMAGINE THE GREECE OF TOMORROW:**

You have an idea to imagine the Greece of tomorrow, in one of the following topics: Agriculture, Tourism, Environment, Energy, Reform of the State, Shipping, Finance, Handicap, the place of art in the workplace.

¹ Languages: French, Greek or English.

Send your application in a video format presenting your idea (one minute) with the following form. You will have 3 minutes to pitch¹ your idea at the forum on Saturday, November the 11th, at the end of which a jury will vote for the most promising ideas.

Startups can apply for both programs “Adopt a startup” and “Imagine the Greece of tomorrow”.
